- **Design & UI Skills:** Responsive Design, UI Design, UX Design, Typography, Color Theory, Component Libraries
- **AI/Machine Learning :** Python, OpenAI API, Prompt Engineering, AI Project Deployment

EXPERIENCE

OCTLIC inc - Sustain Recovery

Nov 2017 - Mar 2024

Lead Recovery Coach / Substance Abuse Support Coach / Direct Care Staff

Anaheim Hills

- Supervised a team in an inpatient adolescent recovery facility, providing support for youth facing addiction, mental health disorders, behavioral challenges, and trauma-related conditions.
- Led and supervised a team at an inpatient youth recovery home, supporting adolescents facing addiction, mental health issues, behavioral challenges, and trauma.
- Prepared and submitted daily behavioral reports via email, detailing client progress, interventions, growth for multidisciplinary team review and support collaborative treatment planning.
- Provided guidance to staff and direct support to youth during addiction recovery, detox, and mental health stabilization, using structured routines, healthy habit-building, and ongoing communication.
- Facilitated 12-step meetings in an Alcoholics Anonymous setting, supported clients with transportation and observation, and responded to emotional or behavioral crises through de-escalation techniques.
- Delivered consistent crisis intervention, with clients regularly expressing that the support significantly contributed to their emotional stability, recovery progress, and personal development.
- Oversaw clients and staff to maintain structured daily routines and promote accountability, consistency, and positive behavioral outcomes.

Vemma

Jan 2012 - Sep 2022
